

Home and School Organization

Home and School is the St. Anthony parent/school organization. Parents have the opportunity to attend the meetings and be a part of a great team that works to meet the goals for St. Anthony School. It's a way to meet other families and invest yourself in the family and community spirit that St. Anthony offers. Please consider coming to the meetings and helping out. St. Anthony's success depends largely on our families!!!

Hope you can make it!
