

Hello St. Anthony families,

With the recent fundraising hours being sent home, there has been a few questions as to the hourly commitment and why we fundraise. Please see the information below to try and help clarify any questions”

In order to keep tuition costs more manageable, a lot of the funds needed to keep the school running are raised by fundraising. Home and School provide the chairperson/leadership for these fundraising activities/events.

Parents are required to volunteer for fundraising and support hours. The commitments are as follows:

<i>Grades</i>	<i>Fundraising Hours</i>	<i>Support hours</i>	<i>Total hours</i>
Preschool	10	5	15
4k	15	5	20
5k-5th	20	5	25

If you have children in multiple grades, the fundraising commitment will default to the oldest child’s requirements.

We have many fundraising ideas and are always open to any new ideas that you may have. Some of our fundraisers anticipated for this year that you can work to get hours are/were wreath sale, cookie dough sale, fishing derby, our auction, and flower bulb sale

Support hours are easy to obtain as well and provide so much back to our school. Examples of support hour options include but are not limited to: Attending the Home and School meetings, Athletic Refereeing, selling 50/50 tickets at games, working concessions at games, helping with the food truck events, Recess duty, cleaning projects and the Memorial Day parade. **We would like to clarify that you will not be billed for support hours if they are not met at the end of the year. You will only be billed for fundraising hours that have not been met.**

**Please note that we still have a bunch of openings for people to earn fundraising hours at the auction. These opportunities are listed on the back of this page. Even if you have met your yearly commitment, we would still be grateful for any help. Did you know that you can have grandparents, uncles, aunts, or even family friends work for your fundraising hours? They would just sign up for the family they are donating their hours to.

Please contact Brittany Shaffer at brittany.dufek@gmail.com to schedule when and where you can help for the auction. Thank you!

Tracey Johnson,

Home and School President
